

# ART, MFA

The Department of Art and Design offers graduate programs of study in art and design. The Master of Arts in Art is a 30-credit program with two areas of specialization: Studio Art and Design Entrepreneurship + Innovation.

Full-time students normally complete the MA degree within 4 semesters.

The Department's facilities and services include fully equipped studios housed in the Kenilworth Square East building and the main campus Art Building.

The Peck School of the Arts' Kenilworth Square East (KSE) Gallery provides a year-round schedule of exhibitions, with galleries that are housed in the Kenilworth Square East building, a research facility approximately one mile from campus. The Department of Art and Design offers a schedule of workshops and special lectures each year. In addition, graduate student studios are located in the Kenilworth Square East building.

Frederick R. Layton Fellowships are awarded each year to incoming and continuing graduate students. Information and application forms are in the Panthera Application (<https://graduateschool-apply.uwm.edu/>).

A limited number of Teaching Assistantships and Project Assistantships are offered through the Department of Art and Design. Information and application forms are in the Panthera Application (<https://graduateschool-apply.uwm.edu/>).

## Admission Requirements

### Application Deadlines

Application deadlines vary by program, please review the application deadline chart (<http://uwm.edu/graduateschool/program-deadlines/>) for specific programs. Other important dates and deadlines can be found by using the One Stop calendars (<https://uwm.edu/onestop/dates-and-deadlines/>).

### Admission

An applicant must meet Graduate School requirements plus these departmental requirements to be considered for admission to the program:

1. An undergraduate major in art, or a related field, including at least 40 studio credits and at least 45 academic credits outside the major.
2. Submission of a digital portfolio with 20 images of original work.
3. Submission of a written personal statement of the proposed program of study.
4. Three (3) letters of recommendation.

See the department's website for more details, including required file formats and submission process for application materials.

At the completion of 30 graduate credits (minimum 18 credits studio art, 3 credits Art History, 3 credits of graduate-level coursework in a discipline related to the student's research interests, and 6 credits graduate art seminar), the MFA candidate is required to complete a mid-program review. The mid-program review consists of a written reflection on the first 30 credits of study in the program, a plan of action for the final 30 credits and MFA Thesis Exhibition, and a presentation (to the student's Thesis Committee) of a body of work completed during the first 30 credits. After the Thesis Committee approves this mid-program review,

the student may proceed to the final 30 graduate credits, MFA Thesis and oral and written qualifying examinations.

If the applicant already holds the Master of Science or Master of Arts degree, the applicant must submit graduate transcripts in addition to the digital portfolio, personal statement, and three letters of recommendation. If the MS or MA degree is approved by the UWM Graduate School and the Director of Graduate Studies in the Department of Art and Design (in consultation with the Graduate Faculty), the MFA candidate will complete 30 credits toward the MFA degree.

Applicants may be admitted to the program with specific program-defined course deficiencies.

The student is expected to satisfy deficiency requirements within three enrolled semesters. The Office of Graduate Studies in the Department of Art and Design monitor the deficiencies. Deficiency course credits may not be applied towards the degree.

## Additional Requirements

### Advising

Upon admission, the Director of Graduate Studies in the Department of Art and Design in consultation with the Graduate Faculty will assign the incoming graduate student to a First Year Advisory Team. The head Advisor will contact the student and the Advisory Team at the beginning

of the student's first semester to arrange a schedule for meetings to discuss course enrollment and the first year studio research agenda.

By the end of the student's second semester in the program, the student must select a Major Professor, and in consultation with the Major Professor, assemble his or her Graduate Thesis Committee. The committee consists of three or more members (usually not larger than four). At least three members must be UWM graduate faculty, and at least two must be from the Department of Art & Design. At least one member of the committee must be a faculty member in the student's area of focus. If a student desires, the fourth member of the committee may be from outside the university. The student's Major Professor will serve as the Chair of the student's Graduate Thesis Committee.

A student who wishes to change his/her designated area of focus must first apply and be accepted into the new focus. The student would make this decision in consultation with his or her Thesis Committee and the Director of Graduate Studies in the Department of Art and Design. If the student is accepted into the new area of focus, he or she will assemble a new Thesis Committee and select a new Major Professor, if necessary.

If the student's Major Professor takes a leave of absence or leaves the University, the student should contact the Director of Graduate Studies in the Department of Art and Design for advice in selecting a new Major Professor, and notify the Director of subsequent changes to the student's committee.

### **Transfer of Credits**

Upon admission, an applicant may be permitted to transfer a maximum of 12 graduate credits earned at another institution. However, the student must apply to the Graduate School for an evaluation of such credits to determine if they are acceptable for transfer to the MFA program.

### **Graduate Review**

MFA candidates must participate in at least one Graduate Review each academic year.

### **Thesis Exhibition**

Upon recommendation of the major professor the student presents a thesis exhibition of work executed since admission to the program. The exhibition is held during the semester in which the student completes the coursework for the degree.

### **Comprehensive Examination**

The student must pass a final oral and written examination.

### **Time Limit**

The UWM Graduate School requires that the student complete all degree requirements within a specific time limit. A student in the 60-credit MFA program must complete all degree requirements within seven years. A student in the 30-credit MFA program must complete all degree requirements within five years.
