**Undergraduate Requirements**

**Laptop Requirement**

Laptops are required for all Art & Design programs (http://uwm.edu/arts/apply/laptop). The goal of the Peck School of the Arts laptop requirement is to provide the opportunity for students to work extensively and intuitively with the most significant contemporary tool for their work so that they will excel not only in their courses but also in their profession after they graduate.

**Bachelor of Fine Arts (Studio Art)**

This undergraduate degree prepares students for entrance into professional art fields. Once students meet the 36-credit Art-Intended requirements, they are admitted to the Art & Design program. In addition to satisfying the core curriculum, art students select studio courses from both 2D and 3D disciplines, take required art history courses, choose studio electives, and begin satisfying the requirements of their declared art area concentration.

A choice of curricula is offered to permit students to concentrate in Ceramics, Digital studio practice, Fibers, Jewelry and Metalsmithing, Painting and Drawing, Photography and Imaging, Print and Narrative Forms, or Sculpture. Students must complete a minimum of 24 credits in their area of concentration but may take more by choosing additional studio electives in their area.

In order to graduate, students must complete two 3-credit critical thinking courses and a 4-credit capstone: ART 604 and ART 605. Students must complete a total of 85 credits of art to graduate with a BFA (Studio Art).

The Bachelor of Fine Arts (Studio Art) degree requires a total of 130 credits for graduation distributed as follows:

Art & Design Graduation Admission Requirements

Each graduate program has admission requirements in addition to the general Graduate School admission requirements. Refer to Graduate Admission and Cost (http://catalog.uwm.edu/admission-costs/graduate-admission) for the graduate school’s admission requirements, and to the specific program for the program’s admission requirements.

Art & Design Undergraduate Admission Requirements

To be admitted in good standing, applicants (incoming freshmen and transfer students) must meet general University requirements (http://catalog.uwm.edu/admission-costs/undergraduate-admission). Applicants to the Art & Design program must also submit a portfolio of artworks and additional supporting materials, as described below, for review by Art & Design faculty:

1. Art & Design Portfolio form. Complete the form and send it in with the packet. (Form is online at uwm.edu/arts/apply/http://uwm.edu/arts/apply/.)

2. Portfolio of artworks. Provide 8-10 examples of artwork you created in the past two years. If your portfolio includes drawings, we recommend that you include at least three drawings from observation (not photographs). Identify each image by media, size, and year of completion in a separate document. JPEG files at 2000px max preferred.

3. Statement of Intent. Upload a one-page pdf that describes how your interests and past experiences relate to your intended college choice and career path. Students who have little to no prior formal art training are encouraged to write a more extensive statement.

Art & Design awards art scholarships based on this incoming portfolio. To be eligible for department-level scholarships, incoming new freshmen & transfers must complete the requirements above by December 15. Portfolios will be accepted after this date for general admission to the department.
General information: 414-229-4763; art-admission@uwm.edu; uwm.edu/arts/art-and-design/ (http://uwm.edu/arts/art-and-design).

**Appeal Process**

An appeal process is established for students who do not meet the department's criteria for admissions, classification, GPA, and area of concentration enrollment management requirements. The appeal process will provide an opportunity for individual students to request admission as an art major or enrollment into courses as exceptions to the department’s enrollment policies based on defined, pre-determined conditions. All appeals are to be directed to the Undergraduate Advisor or PSOA advisor, who will forward the appeals to the department chair or appropriate appeals committee. The department chair or appeals committee will consult with the First Year Program Director, area head, faculty, advisors, and student if necessary before making a decision.

**Advancement to Major**

Students accepted into the Art & Design program receive priority registration over non-art majors. To advance to the Art & Design major, students must complete the following: 36 credits outlined below with a cumulative GPA of 2.5 or higher:

1. Complete First Year Program courses (15 credits; see course list below)
2. Oral and Written Communication Competency Part A (OWC-A);
3. Quantitative Literacy Competency Part A (QL-A);
4. A cumulative GPA of 2.5 or higher
5. Complete 9 credits required 200-level studios (see course list below).
6. Students pursuing the Design and Visual Communication BFA have additional requirements: complete ART 124, ART 221, and ART 223 with a B- or better; and pass the Design and Visual Communication Portfolio review.
7. Students should complete the above to advance to major within the first 45 credits.

**Art Education Advancement to Major**

Art Ed Intended designation is given to all students intending to pursue the BFA (Art Education). Art Ed Intended students will get priority registration in art courses over non-art majors. Art Ed Intended students may apply to this program upon completion of 30 art credits if the following requirements have been fulfilled:

1. First Year Program courses in art (see Art Education BFA requirements [http://catalog.uwm.edu/arts/art-design/art-education-bfa/#requirementstext]).
2. Oral and Written Communication Competency (Part A).
3. Quantitative Literacy Competency (Part A).
5. 2.75 cumulative grade point average (GPA).
6. Dept. of Public Instruction (DPI) Act 31 requirement. (This can be met by taking the Act 31 Workshop, HIST 263, AIS 203, ANTHRO 213, or ENGLISH 276, subtitled "Literature, History, and Sovereignty of Upper Midwest Indians" only.)
7. Completion of ART ED 227 Introduction to Art Education, with a B or higher.

After successful completion of the above, students should contact the Peck School of the Arts Student Services Office by April 15 to get permission to enroll in ART ED 327.

For further details and procedures, see the teacher certification degree requirements [http://catalog.uwm.edu/arts/#requirementstext] on the Peck School of the Arts catalog page.

**Art Education Certification Requirements**

Following admission to the Art Education Program, and successful completion of the specified Art Education course of studies, a student seeking recommendation for teacher certification must successfully fulfill the following requirements:

1. fulfill all degree requirements;
2. fulfill the field experience requirement;
3. maintain a 2.75 cumulative GPA or higher while being in the program;
4. maintain a 3.0 or higher in content area courses (Art & Art History) or pass the Praxis II Art Content Exam;
5. successfully complete student teaching; and
6. demonstrate mastery of the knowledge, skills, and dispositions necessary for a career in the field of art education through the use of a Teaching Portfolio (see description below):

The Art Education Area and the Wisconsin Department of Public Instruction require that students compile a teaching portfolio that demonstrates teaching proficiency. The required reflections, artifacts, statements, and assessment composing this portfolio will be compiled mostly as a part of their major two art education methods classes (ART ED 327 and ART ED 328). Fewer documents will be produced during their student teaching capstone classes (ART ED 425 and ART ED 426). Some of the documents that this portfolio includes are: copy of current resume, teaching philosophy, reflections on the Ten Wisconsin Teaching Standards, artifacts supporting the reflections showing your work as a teacher and your students’ work, lesson plans written and taught in field experiences, field experience assessments, and clinical assessments during student teaching.

7. Teacher Performance Assessment, EdTPA (see explanation below): This is a performance-based test in which student teachers plan, instruct, and assess a visual arts lesson plan for K-12 following the requirements outlined in the EdTPA Handbook. Among these requirements student teachers must show strong curriculum based on four types of objectives, the use of academic language derived from the research of art content and contexts, and cohesive sequencing of art appreciation, artmaking, and art critique. Along with all this, students should demonstrate a theoretical use of visual art learning theory, elaborated skills in the documentation of in-progress and finalized student work, and an ability to reflect on their own teaching, as a way to inform the following steps in their instructional sequence.
Program-to-Program Articulation Agreements

The Department of Art & Design has Program-to-Program Articulation Agreements with several regional and international institutions, including the following agreements with the Milwaukee Area Technical College’s (MATC) Graphic Design Associate Degree Program, Waukesha County Technical College’s (WCTC) Graphic Design Associate Degree Program, and with the Hubei University of Technology in Wuhan, China.

MATC Graphic Design Associate Degree and UWM Bachelor of Arts (Art) in Design Studies Degree Program

MATC students who have successfully completed the Graphic Design AAS degree will be granted junior status in the UWM PSOA A&D BA in Design Studies program.

Laptops are required for the BA in Design Studies program.

Students need a 2.50 GPA from MATC and need to complete the OWC-A and QL-A requirements for UWM while at MATC. It’s advisable that students also complete the Social Sciences, Natural Sciences, and Cultural Diversity GER requirements as part of their MATC Graphic Design Associate Degree. Students should select from approved GER courses (SS, NS, NS+, CD&). Students need to complete the UWM Foreign Language proficiency: two years of the same Foreign Language in High School, or two semesters of Foreign Language at MATC or UWM.

MATC students will enter the Department of Art & Design with up to 72 credits, and will take 58 credits minimum to complete the BA in Design Studies.

Program-to-Program transfer courses/credits are accepted only for the program/degree specified in this agreement. A change of major/degree/program invalidates these courses/credits for transfer unless they are approved within another Program-to-Program Articulation Agreement for a different major/degree/program at UWM.
