

ART EDUCATION, BFA

This undergraduate degree prepares students to teach art both in schools and in the community. Once students are admitted to the Art & Design program, they can apply to the Art Education program through ART ED 227 (see Advance to Major (p. 2)). In addition to satisfying the core curriculum, art education students also must take required art history and critical thinking courses, and three education courses. They are required to take studio courses from both 2D and 3D disciplines, and to focus their choices of studio electives to develop an emphasis in an area. In addition to top-notch studio preparation in a wide range of media, our students focus on urban issues and art education for social justice. Theory is integrated into practical early field and student teaching experiences. Throughout the program, assessment is aligned with the requirements for licensure under "PI-34," the state law governing certification in Wisconsin. Students who demonstrate mastery of the knowledge, skills, and dispositions of professional educators during student teaching are recommended to the Department of Public Instruction in the State of Wisconsin for a PK4-12 teaching license.

Art Ed Intended students may apply to this program upon completion of 30 art credits if the following requirements have been fulfilled:

1. First Year Program courses in art (see Art Education BFA requirements (p. 1)).
2. Oral and Written Communication Competency (Part A).

3. Quantitative Literacy Competency (Part A).
4. Communication Proficiency.
5. 2.75 cumulative grade point average (GPA).
6. Dept. of Public Instruction (DPI) Act 31 requirement. (This can be met by taking the Act 31 Workshop, HIST 263, AIS 203, ANTHRO 213, or ENGLISH 276, subtitled "Literature, History, and Sovereignty of Upper Midwest Indians" only.)
7. Completion of ART ED 227 Introduction to Art Education, with a B or higher.

After successful completion of the above, students should contact the Peck School of the Arts Student Services Office by April 15 to get permission to enroll in ART ED 327 .

For further details and procedures, see the teacher certification degree requirements (<http://catalog.uwm.edu/arts/#requirements-text>) on the Peck School of the Arts catalog page.

Art Education Certification Requirements

Following admission to the Art Education Program, and successful completion of the specified Art Education course of studies, a student seeking recommendation for teacher certification must successfully fulfill the following requirements:

1. fulfill all degree requirements;
2. fulfill the field experience requirement;
3. maintain a 2.75 cumulative GPA or higher while being in the program;
4. maintain a 3.0 or higher in content area courses (Art & Art History) or pass the Praxis II Art Content Exam;
5. successfully complete student teaching; and
6. demonstrate mastery of the knowledge, skills, and dispositions necessary for a career in the field of art education through the use of a **Teaching Portfolio** (see description below):

The Art Education Area and the Wisconsin Department of Public Instruction require that students compile a teaching portfolio that demonstrates teaching proficiency. The required reflections, artifacts, statements, and assessment composing this portfolio will be compiled mostly as a part of their major two art education methods classes (ART ED 327 and ART ED 328). Fewer documents will be produced during their student teaching capstone classes (ART ED 425 and ART ED 426). Some of the documents that this portfolio includes are: copy of current resume, teaching philosophy, reflections on the Ten Wisconsin Teaching Standards, artifacts supporting the reflections showing your work as a teacher and your students' work, lesson plans written and taught in field experiences, field experience assessments, and clinical assessments during student teaching.

7. Teacher Performance Assessment, EdTPA (see explanation below): This is a performance-based test in which student teachers plan, instruct, and assess a visual arts lesson plan for K-12 following the requirements outlined in the EdTPA Handbook. Among these requirements student teachers must show strong curriculum based on four types of objectives, the use of academic language derived from the research of art content and contexts, and cohesive sequencing of art appreciation, artmaking, and art critique. Along with all this, students should demonstrate a theoretical use of visual art learning theory, elaborated skills in the documentation of in-progress and finalized student work, and an ability to reflect on their own

teaching, as a way to inform the following steps in their instructional sequence.

A criterion GPA (not lower than 3.200) for this 15% will be calculated based on statistics from the previous comparable semester. Please note that for honors calculation, the GPA is **not** rounded and is truncated at the third decimal (e.g., 3.499).
