

DANCE, BFA

The Performance and Choreography/Contemporary Track in the Bachelor of Fine Arts (BFA) in Dance prepares students to perform and create original dance choreography for theatrical productions. Dance BFA students complete a rigorous technical and creative curriculum designed to develop the student's individual artistic voice. Contemporary Track majors additionally study body/mind sciences, dance pedagogy, historical and cultural contexts for dance, and the interactive collaboration skills necessary to bring dance to the theatre with a high degree of excellence.

Admission and Retention Requirements for the Dance BFA and BA

Admission Requirements

Please see uwm.edu/arts/apply/ (<http://uwm.edu/arts/apply/>) for information on admission starting spring 2017.

Students must meet general university admission requirements (<http://catalog.uwm.edu/admission-costs/undergraduate-admission/>) to be admitted to any of the undergraduate curricula as a freshman or transfer student. Passing the Dance Entrance Audition (on-campus or video) is required for entrance into the Dance BA or BFA degree programs.

On-campus auditions consist of a variety of technique classes, writing sample, one-minute solo performance (can be self-choreographed), and Q&A session. Video submission (only with prior authorization via email to dance-admission@uwm.edu) consists of writing sample, 5 minutes each of two contrasting dance techniques, and 2-3 minutes of performance video (DVD or URLs in online form). **Auditions after the last on-campus audition** will be by appointment or via video submission. If unsuccessful, students may re-audition, but are limited to auditioning twice per academic year (via any method).

To RSVP for a specific audition date, or to submit the video audition form (after authorization), prospective students must:

1. complete the appropriate online form at uwm.edu/arts/apply/ (<http://uwm.edu/arts/apply/>) and
2. submit separate copies of their high school and/or college transcripts (unofficial copies are acceptable for this purpose).

Transcripts and/or video footage should be sent to dance-admission@uwm.edu or UWM Dance Admission, P.O. Box 413, Milwaukee, WI 53201.

UWM priority application deadline is March 1.

Transfer students must complete a minimum of half of the required dance credits while in residence at UWM in order to graduate. The exact total is available upon admission to the program. Transcript evaluation by a dance advisor is required before placement into dance major courses.

Once accepted, students may enter the program during either fall or spring semesters, but are strongly encouraged to enter in the fall term to progress more smoothly through the BA or BFA curricular sequence.

Retention Requirements

Each undergraduate dance major's coursework will be reviewed at the end of his/her sophomore year to determine continuance in the major, as part of the **Mid-Program Portfolio Review**. Students must maintain a minimum grade point average of 3.0 in the dance major.

All students are expected to demonstrate a strong commitment to their health and overall conditioning in order to fulfill the department's academic requirements. Each student's ability to undertake the demands of the dance program, including his/her overall physical ability to perform in classes, auditions, rehearsals, and/or performances, will be a factor in the following: grading at the end of each semester; the audition/rehearsal/performance process for departmental productions and outreach events; the Mid-Program Portfolio Review assessment; determining "probation" status; and potentially removing a student from the program.

Laptops

Dance BA and BFA students are required to have a laptop computer (or comparable tablet meeting minimum specifications) by the beginning of their sophomore year, but are strongly encouraged to have one when they enter the program. The hardware and software must meet or exceed the current departmental requirements, as stated on the website (uwm.edu/arts/apply/laptop/) (<http://uwm.edu/arts/apply/laptop/>) and in the Dance Undergraduate Student Handbook. Website also includes information on using financial aid to fund this expense.
