DANCE PERFORMANCE, MINOR

The Minor in Dance Performance is designed to accommodate two different groups of students. The first group of students have years of dance training prior to entering the university and wish to continue to dance while pursuing another major at UWM. The second group of students have the desire for dance performance training, but no prior opportunity before coming to UWM.

Please note: For all Dance majors and minors, dance courses with a grade C- or below will not be counted toward any departmental degree.

Admission Requirements for the Minor in Dance Performance

Students must meet general university admission requirements to be admitted to any of the undergraduate curricula as a freshman or transfer student.
