MUSIC, MM: CONDUCTING: CHORAL EMPHASIS

This concentration is designed primarily for the student with an undergraduate degree in music education or performance who wishes to pursue advanced training in Conducting: Choral Emphasis plus related studies in music performance and allied areas. A student must successfully pass an audition that demonstrates an advanced level of conducting skill to qualify for admission to the program. Students may also have to pass other audition(s) in performance area(s), depending on their focus.

Applicant proposing concentration in Music Performance Conducting: Choral Emphasis must demonstrate outstanding performance and conducting skills. An on-site audition is required; in extreme cases, recorded examples of an applicant's performance may be accepted in lieu of an in-person audition. Applicant should contact faculty in the appropriate performance area to inquire about specific audition repertoire and procedures.

While prospective students are not required to submit Graduate Record Examination (http://uwm.edu/graduateschool/admission/#gre) scores, they are strongly advised to take these tests before or early in their graduate work if they wish to be considered for a UWM Distinguished Graduate Student Fellowship or if they plan to continue their graduate work after completing a master's degree at UWM.

Diagnostic examinations in both music history and music theory are required of all entering and transferring graduate students before their first semester of study at UWM. Exceptions will be granted in extenuating circumstances. In no case will students be allowed to proceed beyond the first year of graduate study without having taken the diagnostic exams. These examinations assist the faculty in determining whether the student may proceed with required graduate courses, or whether they first need to remove deficiencies.

Applicants exhibiting deficiencies in music history will be required to enroll in Graduate Music History (MUSIC 704), and those exhibiting deficiencies in music theory will be required to enroll in Graduate Theory Foundations (MUSIC 703); these courses must be passed with a minimum grade of "B" or better. Additionally, other areas of deficiency may require further review. Graduate Music History may count toward the degree as an elective. Credits earned in making up deficiencies in music theory do not count toward the degree. The following courses are recommended to fulfill the graduate theory elective requirement: MUSIC 680, MUSIC 731, MUSIC 744.
