

MUSIC, BFA: GUITAR

Offering the only Bachelor-level degrees in finger-style guitar in the world, as well as classical and jazz degrees, our students are able to customize a unique, comprehensive experience while studying in the cultural capital of Wisconsin. Degree programs in guitar performance offer a multi-style approach, in which students choose a primary style among classical, jazz, and finger-style guitar. Classes in composition, technology, world music, pedagogy, and repertoire are designed to prepare students for a versatile career in music, one that may include performing, teaching, recording, and music publishing. Since 2005, UWM's classical guitar student organization has worked to expose students to leading performers. Each year the group invites some of the world's best touring performers to UWM. After each performance, the visiting performer gives a master class. The student organization also annually applies for a grant with the UWM Student Association to send four students to a guitar festival, such as the Indiana Guitar Festival.

Undergraduate Admission and Audition Procedures

Throughout the year, the Music Department schedules new student audition days (<http://uwm.edu/arts/apply>). In addition to meeting the general University admission requirements, a prospective Music degree candidate must successfully complete an audition in his or her primary performance area (Principal Instrument), and take a music theory and piano placement exam. Composition majors must submit original works as a Composition Portfolio to the Composition faculty for consideration. In certain degree programs, students must successfully pass an audition on a secondary instrument as required. The Music Minor Audition process for lessons: a student can audition either a scheduled

audition day, at ensemble auditions, or with area heads and be admitted to lessons at the discretion of the instructor and area head.

Pre-Music Education majors must audition for the certification program with the Music Education Area, while enrolled in MUS ED 350, preferably in their fourth semester.

Students accepted through auditions who lack basic aural, theory, and/or keyboard skills must successfully complete MUSIC 1 and/or MUSPERF 1 in their first year of study. A final grade of B or higher is required to enroll in the subsequent Music Theory and Piano courses.

Theory & Piano Placement Exams

All new freshmen are required to take Theory and Piano Placement exams (<https://tinyurl.com/yc9m9rf5>) on the day of their audition. Those with prior piano experience must perform a short composition that best demonstrates their keyboard skills.

Transfer Students

All transfer students must audition on their principal instrument, be accepted by the faculty in their course of study, and take placement exams in Music Theory and Piano. Transfer students must enroll in the level of Music Theory recommended by the Theory Area. Undergraduate transfer students who have completed two years at another university, college, or junior college may not be able to graduate with only two years of study at UWM. Students transferring from another Music Education program should contact the Chair of the Music Education area prior to audition.

Music Admission Application

To be eligible for *acceptance* into any Music program, students must first complete a successful audition. Please submit all application materials at least 2 weeks prior to audition date. To schedule an audition or request more information, please email music-admission@uwm.edu. Students interested in department level scholarships must audition by March 1 for priority consideration.

Statement of Intent

Upload a 100-word statement describing your desired musical career and how studying at UWM will help prepare you.

Audition

All BA and BFA degree programs require an audition on principal instrument or voice. See Undergraduate Audition Requirements (<http://uwm.edu/arts/wp-content/uploads/sites/71/2017/01/Music-Undergraduate-Audition-Requirements.pdf>) for more information. Auditioning students will attend an orientation, a Department of Music student convocation, and take music theory and piano placement exams. The typical audition day starts at 8:30AM and ends around 2PM. Parents are encouraged to attend. Presentations from Financial Aid, Norris Health Service, and University Housing will be offered.

Provisional

Students declared Provisional at the time of auditions could achieve Music major status based on the successful Jury performance at the end of the first semester. Students not performing a successful first semester jury will not be allowed to continue as a Music major and will be dropped from the Music department. Provisional students must take all required first-semester Music courses during the provisional semester.

Probation

A Music major who has a studio performance grade of C or lower for two consecutive semesters may be placed on Music Department Probation. (2.75 GPA is required for continuation in the Music Education degree program.) Cleared Probation: Either re-audition or a passing grade for the performance lessons and final Jury is attained during the semester of probation and a cumulative GPA of 2.0 or above.

Not Accepted

Prospective students not accepted at their initial audition are allowed one additional audition opportunity.

Re-Audition

Required after an absence of two consecutive semesters from the UWM Music Department as a Music major actively progressing toward degree. The returning student must successfully re-audition in their principal area. The Music Education major must re-audition in their principal area and re-interview with the Music Education faculty.

Degree Requirements

All Music curricula for the BFA require 125-130 credits, distributed as follows: music courses as specified in each curriculum: 75-80 credits; core curriculum: 45 credits; general electives: 0-9 credits. The BA in Music requires 120 credits, distributed as follows: music courses, 48 credits; core curriculum, 45 credits; general electives, 27 credits.

Performance Ensemble Requirement

All Music majors are required to participate in performing organizations during the course of their study. All Performance and Music Education majors must be registered in an approved major performing organization concurrent with each semester of private study. The director of bands, the director of choral activities, and the director of orchestras make ensemble assignments at the beginning of each semester. Only one approved ensemble credit per semester can apply toward degree requirements. For the purpose of fulfilling the Performance Ensemble requirement, the Department of Music recognizes the following approved major performing Ensembles: University Advanced Women's Choir, Concert Chorale, Women's Chorus, University Men's Chorus, University Band, Symphony Band, Wind Ensemble, Jazz Band, Symphony Orchestra, and University Community Orchestra. (Other performance ensembles may be approved in certain degree programs; see individual degree programs below for specific requirements in each area.)

Performance Ensemble Requirement for Transfer Students

Credits from an accredited college/university for performing organizations may be granted as follows:

- All transfer students to UWM, regardless of entry level, must take at least two semesters of an approved major performing organization. The performing organization must conform to the individual degree requirements: instrumentalists take band or orchestra, vocalists take choral ensembles;
- Entering sophomores with 30 or more earned credits may only transfer up to two completed semesters of an approved performing organization from another university; and
- Entering juniors with 60 or more earned credits may only transfer up to four completed semesters of an approved performing organization from another university.

Recital Attendance and Music Convocation Requirements

All Music majors must attend weekly Music Convocation meetings for a minimum of five semesters. All students entering the Music Department as freshmen are required to take one semester of MUSIC 106 during their freshman year.

All Music majors, excluding transfer students and second degree candidates, must earn 80 recital attendance credits for graduation. This requirement may be met by attending:

- Campus recitals (one attendance credit per recital),
- Weekly departmental Music Convocation (five attendance credits per semester), and
- Off-campus recitals (one attendance credit per recital to a maximum of three per semester).

Transfer students and second degree candidates must earn 10 recital credits (including weekly Music Convocation) for each semester on the UWM campus, to a total of 80, or until the completion of the degree.

Music Performance Course Enrollment Requirements

The study of music performance in private lessons, master classes, and seminars is governed by four special conditions:

- Performance courses (lessons) cannot be dropped after the second week of each semester;
- Eligibility for undergraduate Music major private lessons requires a minimum of 4 credits in Music Department courses. Only one ensemble credit can be applied to the 4-credit minimum;
- All Music majors are required to enroll in an approved ensemble concurrent with each semester of Performance lessons; and
- Students enrolled in Music Performance lessons at the 200 level or above must enroll in the appropriate Performance Master Class. Music Education Majors are not required to take Performance Master Class, but may enroll in Performance Master Class as music electives.

Music Theory and History Requirements

The Music Theory core comprises a three-semester sequence of Materials of Theory concurrently with three semesters of Aural Theory. This is followed by a semester of Form Analysis. The Music History core comprises a three-semester sequence of the General History of Western Music. Additional Music Theory and Music History courses are required in all Music degree programs. See individual programs for details.

Music students in all areas will be encouraged to have a laptop computer during their course of study in the department. Students in the BFA Music Composition and Technology program will be required to have a laptop computer once they are admitted. Please see requirements posted on the PSOA Laptop Requirement web page: uwm.edu/arts/apply/laptop/ (<http://uwm.edu/arts/apply/laptop/>).
