The Theatre Department's mission is to educate students in the practice and study of theatre and to encourage students' creative and critical development. It supports the application of theatre skills in lasting, strong, and meaningful ways throughout their lives.

Our urban setting provides access to a thriving professional arts community with opportunities to engage with the region's many cultural groups and institutions through service learning, internships, and fieldwork. These experiences support students interested in developing as artists, educators, and scholars and by actively encouraging them to be theatre makers.

The Theatre Department offers a Bachelor of Fine Arts in Theatre and a Bachelor of Arts in Theatre Practices. We also offer a Theatre Minor.

**Degree Programs**

The Bachelor of Fine Arts (BFA) in Theatre offers two tracks: Performance and Production. Performance majors focus on either Acting or Musical Theatre. Production majors explore a broad curriculum in Costuming, Stage Management, Technical Production, and Design.

The Bachelor of Arts in Theatre Practices (BA) offers two tracks: Theatre Practices and K-12 Theatre Education. Theatre Practices focuses on playwriting, performing and devising new works, directing, community engaged practices, theatre and social justice, and dramaturgy. The BA administers the Arts and Social Entrepreneurship Certificate (A&SE) program (http://catalog.uwm.edu/arts/theatre/arts-social-entrepreneurship-undergraduate-certificate). BA students also have an opportunity to earn a Cultures and Communities (C&C) Certificate (http://catalog.uwm.edu/letters-science/cultures-communities-undergraduate-certificate). The Theatre Education track in the BA is a professional program that leads to a Wisconsin Theatre Educator license.

Theatre study, in all degree programs within the department, begins with a common core of course experiences designed to provide learning opportunities encouraging participants to engage with theatre as a way of seeing, understanding, and communicating culture.

**Capstone**

All programs and tracks in all undergraduate programs within the Theatre Department require a capstone experience. The capstone serves as a laboratory for students and provides a framework for application of developing skills and knowledge. Depending on semester, program, or project, capstones are executed and evaluated within the following courses:
