

# BUSINESS: ACCOUNTING, BBA

Accountants gather, organize and analyze financial information. Accountants assess performance and efficiency and suggest improvements for their employers and clients. They are needed in Certified Public Accounting (CPA) firms and corporations, as well as nonprofit organizations. Advancements in technology, evolving accounting rules and regulations, and rapid globalization promise abundant and interesting career opportunities to those with strong quantitative abilities.

Accounting graduates who take positions in public accounting firms provide management consulting, tax, and audit services to external clients. Other accounting graduates, who take positions with industry and not-for-profit organizations, work as part of the management team providing information for decision support, taxation issues and performance evaluation.

Lubar College of Business accounting programs are separately accredited by the AACSB (one of only three accounting accredited schools in Wisconsin). Graduates meet the legal requirements to take the CPA Exam in Wisconsin. However, 150 credits of education are required to obtain the CPA license in Wisconsin. Many BBA Accounting graduates apply, are accepted, and enroll in the Lubar College of Business Master of Science in Management-Professional Accounting (MS-PA) program to complete the credits to prepare for the CPA exam and meet the 150 credits for licensure.

## Degree Completion Requirements

### Credits

A minimum of 120 credits is required for graduation for all majors. At least 50% of the business credit hours required for the business degree must be completed at UWM.

### Grade Point Average

Students are required to earn at least a 2.25 overall GPA to graduate. Non-accounting majors are required to earn a minimum 2.25 GPA in all business and economics courses, as well as a 2.25 GPA in all business and economics courses completed at UWM, to graduate.

Accounting majors must have earned a 2.5 GPA for all business and economics courses completed (including transfer credits), as well as a 2.5 GPA in all business and economics courses completed at UWM, to graduate.

### Residence Requirements

A minimum of 12 credits must be completed in residence at UWM in each Business Administration major.

Students must earn their last 30 credits at UWM. BBA degree and major requirements must be completed within 10 years of initial enrollment at UW-Milwaukee. Should students not complete the degree and major within the 10-year time frame, the students will switch to the most current degree and major requirements. A new 10-year time frame would then begin.

### Post-Baccalaureate Options

The above requirements refer to the full requirements of an initial bachelors degree only. Requirements of a second undergraduate degree are listed on the Lubar College's Policies and Regulations (<https://catalog.uwm.edu/business/#policiesandregulationstext>). The Accounting major may not be completed as a second undergraduate degree or as a post-baccalaureate major/Certificate of Major. The General Business Major may not be completed as a post-baccalaureate major/Certificate of Major.

### Multiple Majors

Students interested in completing a double major with another UWM program or within Business should meet with an academic advisor to discuss how best to combine their academic plans. Students may double-count up to two major courses between any combination of BBA majors. Accounting majors may also use the BUS ADM 450 requirement towards the Finance or SCOM majors. General Business majors may not select a second major within the Lubar College of Business but may select any number of certificates.

### Certificate Option

Students have the option to complete one or more certificates in conjunction with BBA majors. No more than 50% of each certificate's credits may double count towards BBA Core or Major requirements.

## Business BBA Learning Outcomes

Students graduating from UWM's Bachelor of Business Administration (BBA) programs will:

- Create novel solutions to a business problem.
- Analyze data to explore alternative solutions.
- Identify the role of technology in supporting decision-making.
- Explain findings, organize ideas, and justify conclusions.
- Produce written documents to communicate their business understanding.
- Possess the skills needed for oral communication.
- Apply the basic concepts and principles of their business discipline.
- Recognize an ethical dilemma, relevant stakeholders, and potential consequences.
- Identify and analyze the legal issues that impact a business decision.
- Summarize cultural issues that impact a business decision.
- Summarize global issues that impact a business decision.

## Advising

For information on Academic Advising for undergraduate business majors, see Undergraduate Student Services. (<https://uwm.edu/business/students/current/undergraduate/advising-undergraduate/>) All students should meet with an academic advisor at least once a semester.

## Career Services

The Lubar College of Business also features a dedicated Career Services Center (<https://uwm.edu/business/students/career/undergraduate-career-advising/>) for its students. Internship positions and job requests are posted on a special bulletin board, which is maintained by the College as a service to students and to businesses that have specifically requested UWM business students to fill positions. Career Advisors can help students post their resume and search for jobs using UWM's jobs board on Handshake. The Career Services Center also provides a resume referral service. Potential employers may request resumes by functional area or by special interests within functional areas. Online national job searches and an alumni placement service are other services offered.

## Accelerated Program Option

This program is offered as part of an accelerated graduate program. For more information, see Accelerated Graduate Degrees (<https://catalog.uwm.edu/opportunities-resources/accelerated-graduate-degrees/>).

## Honors in the Lubar College of Business

Beta Gamma Sigma (<https://uwm.edu/business/students/current/undergraduate/organizations/>) is the national scholastic honor society in the field of business. Election to membership is available to both undergraduate and graduate students in business. Each semester, students are invited to join Beta Gamma Sigma. Selection is based upon outstanding scholastic achievement.

See also information on the Business Scholars Program (<https://catalog.uwm.edu/business/businessscholars/>).

### Dean's Honor List

Students who earn a GPA of 3.500 or above on 12 or more graded credits in a given semester are placed on the Dean's Honor List.

## Honors College Degree and Honors College Degree with Distinction

Granted to graduating seniors who complete Honors College requirements, as listed in the Honors College (<https://catalog.uwm.edu/honors-college/>) section of this site.

## Commencement Honors

Students with a cumulative GPA of 3.500 or above, based on a minimum of 40 graded UWM credits earned prior to the final semester, will receive all-university commencement honors and be awarded the traditional gold cord at the December or May Honors Convocation. Please note that for honors calculation, the GPA is **not** rounded and is truncated at the third decimal (e.g., 3.499).

## Final Honors

Earned on a minimum of 60 graded UWM credits: Cum Laude - 3.500 or above; Magna Cum Laude - 3.650 or above; Summa Cum Laude - 3.800 or above.
