EXECUTIVE, MBA

As the area's leader in executive education, the Lubar School of Business STEM-Designated Executive MBA (EMBA) program offers business professionals a transformative 16-month educational and life experience designed especially for the experienced manager. The Lubar EMBA builds deep professional relationships with corporate executives and managers, and with an active network of successful Lubar Executive MBA alumni.

The cohort format fosters a highly bonded network of peer professionals. Attending classes every other week - Friday evening and Saturday - provides the flexibility needed to balance a career while pursuing an Executive MBA degree.

The program includes collaborative technologies, advanced management research, applied learning projects, and an international trip.

Admission Requirements

Application Deadlines
Application deadlines vary by program, please review the application deadline chart (http://uwm.edu/graduateschool/program-deadlines/) for specific programs. Other important dates and deadlines can be found by using the One Stop calendars (https://uwm.edu/onestop/dates-and-deadlines/).

Admission
Applicants for the Executive MBA Program must meet Graduate School requirements (http://uwm.edu/graduateschool/admission/) and additional program standards as specified below:

- Eight or more years of professional experience preferred, including significant management experience, and nomination of the employing organizations.
- Applicants are reviewed by the Master's Program Committee of the Lubar School of Business. The admission recommendations are based upon:
  - Academic achievement and ability to do intensive graduate-level work.
  - Nature of managerial experience.
  - Contribution to the varied skills of the class.
  - Ability and willingness of the individual and the employer to make a 17-month commitment to the program.
  - Proof of competency in the four foundation requirement areas of financial accounting, macroeconomics, mathematics review, and team building and business communications through coursework, or through examinations as approved by the Master's Program faculty committee. Students are also assumed to have basic proficiency in the use of word processing, spreadsheet, presentation, and Web-browsing software.
