NONPROFIT MANAGEMENT, GRADUATE CERTIFICATE (LUBAR SCHOOL OF BUSINESS)

The Graduate Certificate in Nonprofit Management is a collaborative effort between the Lubar School of Business, the College of Letters & Science, and other campus units that have research and/or teaching interests in nonprofit management and leadership, nonprofit organizations, the nonprofit sector, and philanthropy. The certificate responds to the growing need for trained professionals to assume management and leadership positions in non-governmental, nonprofit sector organizations.

The multi-disciplinary Graduate Certificate in Nonprofit Management is designed to provide students with the knowledge and skills needed to successfully pursue or advance careers within nonprofit sector organizations.

Students in degree programs across campus such as urban studies, public administration, business, social welfare, education or the arts, have combined the Graduate Certificate in Nonprofit Management with their degree to further enhance their academic preparation for their particular career goals.
