

# SUICIDE PREVENTION ACROSS THE LIFESPAN, UNDERGRADUATE MICROCREDENTIAL

---

This microcredential offers the opportunity to gain knowledge and skills in social work and related fields in working with client systems affected by suicide. A focus on human behavior in the social environment is first examined, followed by specific knowledge and skills on the epidemiology, assessment, and prevention of suicide across the lifespan.

## Requirements

Code	Title	Credits
<b>Required Courses</b>		
SOC WRK 250	Human Behavior and the Social Environment	3
SOC WRK 591	Special Topics: Social Welfare and Social Work: (Suicide Prevention: A Life Course Perspective)	3
<b>Total Credits</b>		<b>6</b>

## Admission

This microcredential is available to any interested undergraduate student at the University of Wisconsin-Milwaukee. In addition to taking SOC WRK 250: Human Behavior and the Social Environment and SOC WRK 591: Suicide Prevention: A Life Course Perspective, students would need to satisfy the prerequisite requirement for SOC WRK 250.
