ADMINISTRATIVE LEADERSHIP, MS: EDUCATIONAL ADMINISTRATION AND SUPERVISION

The master's concentration in educational administration and supervision prepares the student for a career as a school district administrator, elementary, middle, or secondary school administrator, director of special education and pupil services, school business manager, or curriculum director. Through this program of studies, the student can fulfill professional education requirements for administrative and supervisory licenses in Wisconsin and most other states.

Our rigorous program, led by faculty who are actively engaged in research in the field, meets Wisconsin state licensure requirements and will give you the skills you need to succeed in today's challenging educational landscape.

The master's degree programs are offered online and hybrid.

The Department also offers a course of study leading to the Specialist Certificate in Administrative Leadership (http://uwm.edu/graduateschool/administrative-leadership-certificate)—required for the school superintendency and recommended for other school or adult education administrative or supervisory positions.
