

EDUCATION, BS: ELEMENTARY AND MIDDLE EDUCATION, K4-9

The Elementary and Middle Education Program prepares individuals to meet the needs of diverse populations in a regular education setting from kindergarten through ninth grade. Clinical and student teaching experiences occur mainly in urban settings and take place in close partnership with local school districts.

Candidates successfully completing the Elementary and Middle Education, K-9, program will receive a Bachelor of Science (BS) degree in Education and endorsement to be licensed to teach in the State of Wisconsin. Individuals are licensed to teach any subject, except world language, in a self-contained classroom, and may teach language arts, mathematics, science, and social studies in a departmentalized setting.

Undergraduate Advising

Our purpose is to provide collaborative, mentoring relationships which promote educational, career, and professional development. We value a student-centered, holistic, and ethical approach to advising based on strong partnerships with students, faculty and staff, and the larger campus community. We are committed to creating a respectful and supportive environment. We encourage students to be self-reliant through informed decisions and choices based upon dissemination of accurate information. We value our own continuous professional development to enhance the quality of the advising experience.

How to Prepare for an Advising Meeting

- Review your Advisement Report in PAWS (<http://uwm.edu/registrar/academic-unit-services/paws-academic-advisement/>).
- Come prepared with questions or topics for discussion.
- Make a list of courses you think you should take.
- Investigate opportunities to prepare for the job you want.
- Keep a record of your academic progress.
- Understand you are ultimately responsible for creating your educational, life, and career plans.
- Maintain honest and open communication with your advisor.
- Take responsibility for choices you make as a student and member of the UW-Milwaukee community.
