EXCEPTIONAL EDUCATION, BS: MIDDLE CHILDHOOD - EARLY ADOLESCENCE

The Middle Childhood through Early Adolescence Program (MCEA) for Special Education is designed for students seeking to teach at the middle childhood-early adolescence level, ages 6-12 or 13, in 1st through 8th grade. This program prepares students to work in urban settings and takes place in close partnership with local school districts.

The UWM School of Education's urban mission is upheld in the MCEA program's commitment to preparing pre-service teachers to meet the needs of diverse populations. Students are admitted into the MCEA program upon admission to the University and completion of pre-professional coursework. It is possible to complete the program in four years. This is a field-based program involving gradual and extensive work in urban schools. Upon successful completion of all student teaching requirements, including several state required assessments, students will be licensed to teach grades 1st through 8th in Special Education.

Honors in the School of Education
Dean’s Honor List
GPA of 3.750 or above, earned on a full-time student’s GPA on 12 or more graded credits in a given semester.

Honors Degree and Honors Degree with Thesis
Granted to graduating seniors who complete Honors College requirements, as listed in the Honors College (http://catalog.uwm.edu/opportunities-resources/honors-college) section of this site.

Commencement Honors
Students with a cumulative GPA of 3.500 or above, based on a minimum of 40 graded UWM credits earned prior to the final semester, will receive all-university commencement honors and be awarded the traditional gold cord at the December or May Honors Convocation. In schools and colleges in which fewer than 15% of the traditional students have a 3.500 GPA, all-university honors will be awarded to approximately the top 15% of graduating students. A criterion GPA (not lower than 3.200) for this 15% will be calculated based on statistics from the previous comparable semester. Please note that for honors calculation, the GPA is not rounded and is truncated at the third decimal (e.g., 3.499).

Final Honors
Earned on a minimum of 60 graded UWM credits: Cum Laude - 3.500 or above; Magna Cum Laude - 3.650 or above; Summa Cum Laude - 3.800 or above.
