## COMMITTEE INTERDISCIPLINARY MAJOR, BA/BS

The Committee Interdisciplinary Major is an option for self-directed and highly motivated students whose academic interests go beyond the existing major programs at UWM.

Students interested in this major must have in mind a topic that connects ideas from more than one major and that cannot be addressed within an existing major. They should discuss this topic with a faculty member who has related research and/or teaching interests to determine whether the topic is truly interdisciplinary.

If the faculty member agrees to advise the student on their topic, the student and the faculty member will work together to identify two more faculty members to serve on the student's interdisciplinary committee. The student will also work with their faculty advisor to develop the major proposal and declare this major.

To access the Committee Interdisciplinary Major proposal form, the student should ask their L\&S advisor or look on the Letters \& Science academics page.

Past CIM topics have included Community Development, Ethical Issues and the Law, Pharmaceutical Sales and Promotion, Re-emergence of Eastern Europe, and Science and Health Communication.

Students completing the Committee Interdisciplinary Major must also complete all UWM General Education Requirements. They must also decide whether they will complete a BA or BS degree and fulfill all the requirements of the $B A$ or $B S$ in the College of Letters \& Science.

## Course of Study - Bachelor of Arts Degree

Complete 120 credits including 90 credits in the College of Letters \& Science and with 36 of the 90 credits in L\&S upper-level (numbered above 300) courses. The College requires that students must complete in residence at UWM at least 15 credits in upper-division (numbered 300 or above) courses in their major. Students are also required to complete University-wide General Education Requirements and the specific L\&S requirements listed below.

To complete a major, students must satisfy all the requirements of the major as stated in this catalog. Students who declare their majors within five years of entering the UW System as a degree candidate may satisfy the requirements outlined in any catalog issued since the time they entered. Credits used to satisfy the major also may be used to satisfy other degree requirements.

## University General Education Requirements (GER)

Code
Title
Credits
Oral and Written Communication
Part A
Achieve a grade of C or better in the following course:

ENGLISH 102 | College Writing and Research (or |
| :--- |
| equivalent) |

Part B

Course designated as OWC-B; may be completed through a major-specific course requirement

## Quantitative Literacy

Part A
Earn at least 3 credits with a grade of C or higher in one of the following courses or an equivalent course, or achieve a placement code of at least 30 on the mathematics placement test (or other appropriate test, as determined by the Mathematical Sciences Department)

| MATH 102 | Mathematical Literacy for College <br> Students II |
| :--- | :--- |
| MATH 103 | Contemporary Applications of <br> Mathematics |
| MATH 105 | Introduction to College Algebra |
| MATH 108 | Algebraic Literacy II <br> MATH 111 |
| Introduction to Logic - Critical <br> Reasoning 1 |  |
| MATH 116 116 | Introduction to Logic - Critical Reasoning |
| Or equivalent course | College Algebra |
| Part B |  |
| Course designated as QL-B; may be completed through a major- |  |
| specific course requirement |  |

Arts
Select 3 credits 3

Humanities
Select 6 credits 6

Social Sciences
Select 6 credits
Natural Sciences
Select 6 credits (at least two courses including one lab) 6
UWM Foreign Language Requirement
Complete Foreign Language Requirement through:
Two years (high school) of a single foreign language
Two semesters (college) of a single foreign language
Or equivalent

## UWM Cultural Diversity Requirement

One course from the Arts, Humanities, or Social Sciences must also satisfy UWM's Cultural Diversity requirement
${ }^{1}$ Math 111 and Philosophy 111 are jointly offered and count as repeats of one another. Students cannot receive credit for both courses.

## College of Letters \& Science Requirements

## I. English Composition Requirement

Students must satisfy the English Composition Requirement with one of the following options:

1) Completing ENGLISH 102 with a grade of $C$ or higher; or
2) by placing beyond ENGLISH 102 on the English Placement Test (EPT) (or other assessment as determined by the English Department); or
3) transferring a course of at least 2.5 equivalent credits from another institution that is equivalent to English 102, or a UWM higher-level expository writing course, with a grade of C or higher.

Note: This requirement is the same as the University General Education Requirement for Oral and Written Communication Part A. The College of Letters \& Science does not have a specific requirement for a writing course beyond English 102, but students must complete the university-wide requirement for Oral and Written Communication Part B listed above.

## II. Mathematics and Formal Reasoning

To satisfy the Mathematics and Formal Reasoning Requirement, students must satisfy the following two requirements:

1. Achieve a placement code of at least 30 on the mathematics placement test (or other appropriate test, as determined by the Mathematical Sciences Department) or earn at least 3 credits with a grade of C or higher in one of the following courses or an equivalent course:

| Code | Title | Credits |
| :--- | :--- | ---: |
| MATH 102 | Mathematical Literacy for College | 3 |
|  | Students II |  |
| MATH 103 | Contemporary Applications of <br> Mathematics | 3 |
| MATH 105 | Introduction to College Algebra | 3 |
| MATH 108 | Algebraic Literacy II | 3 |
| MATH 111 | Introduction to Logic - Critical <br> or PHILOS 111 | Reasoning 1 <br> Introduction to Logic - Critical Reasoning |
| MATH 116 | College Algebra | 3 |
| MATH 175 | Mathematical Explorations for | 3 |
|  | Elementary Teachers I | 3 |

1 Math 111 and Philosophy 111 are jointly offered and count as repeats of one another. Students cannot receive credit for both courses.

Note: This requirement is the same as the University General Education Requirement for Quantitative Literacy Part A, listed above.
2. Complete one course (at least 3 credits) at the 200 level or above chosen from courses in Mathematics, PHILOS 211, or Letters and Science statistics courses:

| Code | Title | Credits |
| :---: | :---: | :---: |
| Complete one of the following: |  |  |
| 3 or more credits in any 200-level or above Math course |  |  |
| AFRIC 220 | Introduction to Statistics in African and African Diaspora Studies |  |
| ANTHRO 568 | Introduction to Anthropological Statistics |  |
| BIO SCI 465 | Biostatistics |  |
| ECON 210 | Economic Statistics |  |
| GEOG 247 | Quantitative Analysis in Geography |  |
| HIST 595 | The Quantitative Analysis of Historical Data |  |
| MTHSTAT 215 | Elementary Statistical Analysis |  |
| PHILOS 211 | Elementary Logic |  |
| POL SCI 390 | Political Data Analysis |  |
| POL SCI 392 | Survey Research |  |
| PSYCH 210 | Psychological Statistics |  |

## SOCIOL 261 Introduction to Statistical Thinking in Sociology

Note: This requirement is NOT the same as the University General Education Requirement for Quantitative Literacy Part B. To complete the BA, students must take one of the L\&S approved courses. Not all of the courses listed here will satisfy the QL-B requirement.

## III. Foreign Language Requirement

Placement testing may be used to satisfy all or part of this requirement. Language courses (including American Sign Language) other than English taken in high school may be used to satisfy all or part of this requirement. One year of high school language equates to one semester of college work.

Completion of the L\&S Language Requirement also satisfies the university-wide Foreign Language GER, but not vice versa.
Code Title
Completed in one of the following ways:

| Successful completion of the 4th semester of college work |
| :--- |
| or equivalent in one language other than English (including |
| American Sign Language) |

| Successful completion of the 3rd semester of college work |
| :--- |
| or equivalent in one language other than English (including |

American Sign Language) PLUS the 2nd semester of college
work or equivalent in another language other than English
(including American Sign Language)
IV. International Requirement
See Approved Courses for the L\&S International Requirement (https://
catalog.uwm.edu/letters-science/approved-courses-international-
requirement/) for course options.

Code
Title
Credits
Completed in one of the following ways:
Complete 3 courses (min. 9 cr ) in a single foreign language (not including literature-in-translation or American Sign Language) at the 3rd semester level and above
Complete 3 non-language courses (min. 9 credits) with an international content chosen from at least 2 curricular areas.

Complete 9 credits in combination of the two options above.

## V. Breadth Requirement

Along with completing the University General Education Requirements of 3 credits in the Arts (A); 6 credits in the Humanities (HU), Social Sciences (SS), and Natural Sciences (NS/NS+); and a course with the Cultural Diversity (CD/+) designation, L\&S students must complete the Breadth requirement.

| Code Title | Credits |  |
| :--- | :--- | ---: |
| Arts |  |  |
| Select 3 credits | 3 |  |
| Humanities | 12 |  |
| Complete 12 credits of L\&S courses with Humanities Breadth <br> designation; no more than 6 credits from a single subject area. |  |  |
| Social Sciences |  |  |
| Complete 12 credits of L\&S Courses with Social Science Breadth <br> designation; no more than 6 credits from a single curricular area. | 12 |  |

## Natural Sciences

Complete 12 credits of L\&S Courses with Natural Sciences
Breadth designation, including at least one laboratory or field course; no more than 6 credits from a single curricular area. **

## Cultural Diversity

Complete 3 credits in a course with Cultural Diversity (CD)
designation. ${ }^{* *}$

* Students should check their course selections carefully with the list of approved L\&S Breadth Courses (https://catalog.uwm.edu/letters-science/breadth-requirement-course-list/). Students are advised to select at least 6 credits worth of courses in each of the Humanities, Social Science, and Natural Sciences areas that can satisfy both the campus-wide General Education Requirements and the L\&S Breadth requirement.
** Students are advised to select a course that satisfies the Cultural Diversity requirement as well as a Humanities or Social Science breadth/GER requirement.

## VI. The Major

The College of Letters and Science requires that students attain at least a 2.0 GPA in all credits in the major attempted at UWM. In addition, students must attain a 2.0 GPA on all major credits attempted, including any transfer work. Individual departments or programs may require higher GPAs for graduation. Some departmental majors require courses from other departments. Contact your major department for information on whether those credits will count as part of the major GPA. The College requires that students must complete in residence at UWM at least 15 credits in upper-division (numbered 300 or above) courses in their major.

## Research Requirement

Within their majors, students must complete a research experience approved by the L\&S faculty. A list of courses satisfying the research requirement in each major can be found here (https://catalog.uwm.edu/ letters-science/approved-courses-research-requirement/).

## VII. The Minor

The College of Letters and Science requires that students attain at least a 2.0 GPA in all credits in the minor attempted at UWM. In addition, students must attain a 2.0 GPA on all minor credits attempted, including any transfer work.

## Course of Study - Bachelor of Science Degree

Complete 120 credits including 90 credits in the College of Letters \& Science and with 36 of the 90 credits in L\&S upper-level (numbered above 300) courses and 30 of those 36 credits in designated Advanced Natural Science courses (https://uwm.edu/letters-science/advising/ degree-requirements/advanced-natural-science-approved-courses-list/). The College requires that students must complete in residence at UWM at least 15 credits in upper-division (numbered 300 or above) courses in their major. Students are also required to complete University-wide General Education Requirements and the specific L\&S requirements listed below.

To complete a major, students must satisfy all the requirements of the major as stated in this catalog. Students who declare their majors within five years of entering the UW System as a degree candidate may satisfy the requirements outlined in any catalog issued since the time they entered. Credits used to satisfy the major also may be used to satisfy other degree requirements.

Achieve a grade of C or better in the following course:

ENGLISH 102 | College Writing and Research (or |
| :--- |
| equivalent) |

## Part B

Course designated as OWC-B; may be completed through a major-specific course requirement
Quantitative Literacy
Part A
Earn at least 3 credits with a grade of $C$ or higher in one of the following courses or an equivalent course, or achieve a placement code of at least 30 on the mathematics placement test (or other appropriate test, as determined by the Mathematical Sciences Department)

| MATH 102 | Mathematical Literacy for College <br> Students II |
| :--- | :--- |
| MATH 103 | Contemporary Applications of <br> Mathematics |
| MATH 105 | Introduction to College Algebra |
| MATH 108 | Algebraic Literacy II |
| MATH 111 | Introduction to Logic - Critical <br> Reasoning 1 |
| or PHILOS 111 | Introduction to Logic - Critical Reasoning |
| MATH 116 | College Algebra |
| Or equivalent course |  |
| Part B |  |
| Course designated as QL-B; may be completed through a major- |  |
| specific course requirement |  |

## Arts

Select 3 credits 3

## Humanities

Select 6 credits 6
Social Sciences
Select 6 credits6

Natural Sciences
Select 6 credits (At least two courses including one lab)
UWM Foreign Language Requirement
Complete Foreign Language Requirement through:
Two years (high school) of a single foreign language
Two semesters (college) of a single foreign language
Or equivalent

## UWM Cultural Diversity Requirement

One course from the Arts, Humanities, or Social Sciences must also satisfy UWM's Cultural Diversity requirement
${ }^{1}$ Math 111 and Philosophy 111 are jointly offered and count as repeats of one another. Students cannot receive credit for both courses.

## College of Letters \& Science Requirements

## I. English Composition Requirement

Students must satisfy the English Composition Requirement with one of the following options:

1) Completing ENGLISH 102 with a grade of $C$ or higher; or
2) placing beyond English 102 on the English Placement Test (EPT) (or other assessment as determined by the English Department); or
3) transferring a course of at least 2.5 equivalent credits from another institution that is equivalent to English 102, or a UWM higher-level expository writing course, with a grade of C or higher.

Note: This requirement is the same as the University General Education Requirement for Oral and Written Communication Part A. The College of Letters \& Science does not have a specific requirement for a writing course beyond English 102, but students must complete the universitywide requirement for Oral and Written Communication Part B listed above.

## II. Mathematics and Formal Reasoning

To satisfy the Mathematics and Formal Reasoning Requirement, Bachelors of Sciences degree students must satisfy the following two requirements:

1. Complete one of the following courses or an equivalent course:

| Code | Title | Credits |
| :--- | :--- | ---: |
| MATH 211 | Survey in Calculus and Analytic <br> Geometry I | 4 |
| MATH 213 | Calculus with Life Sciences <br> Applications | 4 |
| MATH 221 | Honors Calculus I | 5 |
| MATH 231 | Calculus and Analytic Geometry I | 4 |

2. Complete one course (at least 3 credits) at the 200 level or above chosen from courses in Mathematics, PHILOS 211, or Letters and Science statistics courses:

| Code <br> Complete one of the following: | Credits |
| :--- | :--- |
| 3 or more credits in any 200-level or above Math course |  |
| AFRIC 220 | Introduction to Statistics in African and <br> African Diaspora Studies |
| ANTHRO 568 | Introduction to Anthropological <br> Statistics |
| BIO SCI 465 | Biostatistics |
| ECON 210 | Economic Statistics |
| GEOG 247 | Quantitative Analysis in Geography <br> HIST 595The Quantitative Analysis of Historical <br> Data |
| MTHSTAT 215 | Elementary Statistical Analysis |
| PHILOS 211 | Elementary Logic |
| POL SCI 390 | Political Data Analysis |
| POL SCI 392 | Survey Research <br> PSYCH 210Psychological Statistics <br> SOCIOL 261Introduction to Statistical Thinking in |

Note: This requirement is NOT the same as the University General Education Requirement for Quantitative Literacy Part B. To complete the BS, students must take one of the L\&S approved courses. Not all of the courses listed here will satisfy the QL-B requirement.

## III. Foreign Language Requirement

Two courses (minimum of 6 credits) in a language (including American Sign Language) other than English at the 100 level or above are required.

Placement testing may be used to satisfy all or part of this requirement.
Language courses (including American Sign Language) other than English taken in high school may be used to satisfy all or part of this requirement. One year of high school language equates to one semester of college work.

Completion of the L\&S Language Requirement also satisfies the university-wide Foreign Language GER, but not vice versa.

## IV. International Requirement

See Approved Courses for the L\&S International Requirement (https:// catalog.uwm.edu/letters-science/approved-courses-internationalrequirement/) for course options.
Code Title
Completed in one of the following ways:
Complete 3 courses (min. 9 cr ) in a single foreign language
(not including literature-in-translation or American Sign
Language) at the 3rd semester level and above
Complete 3 non-language courses (min. 9 credits) with an
international content chosen from at least 2 curricular areas.
Complete 9 credits in combination of the two options above.
V. Breadth Requirement
Along with completing the University General Education Requirements of
3 credits in the Arts (A); 6 credits in the Humanities (HU), Social Sciences
(SS), and Natural Sciences (NS/NS+); and a course with the Cultural
Diversity (CD/+) designation, L\&S students must complete the Breadth
requirement.

Complete 3 courses ( min .9 cr ) in a single foreign language (not including literature-in-translation or American Sign Language) at the 3rd semester level and above
Complete 3 non-language courses (min. 9 credits) with an international content chosen from at least 2 curricular areas. Complete 9 credits in combination of the two options above.

## V. Breadth Requirement

Along with completing the University General Education Requirements of 3 credits in the Arts (A); 6 credits in the Humanities (HU), Social Sciences (SS), and Natural Sciences (NS/NS+); and a course with the Cultural requirement.

## Code

Title
Credits
Arts
Select 3 credits 3
Humanities
Complete 12 credits of L\&S courses with Humanities Breadth designation; no more than 6 credits from a single subject area. *

## Social Sciences

Complete 12 credits of L\&S Courses with Social Science Breadth
${ }_{\star}$ designation; no more than 6 credits from a single curricular area.

## Natural Sciences

Complete 12 credits of L\&S Courses with Natural Sciences
Breadth designation, including laboratory or field courses from three different curricular areas. *
Cultural Diversity

designation. **

* Students should check their course selections carefully with the list of approved L\&S Breadth Courses (https://catalog.uwm.edu/letters-science/breadth-requirement-course-list/). Students are advised to
select at least 6 credits worth of courses in each of the Humanities, Social Science, and Natural Sciences areas that can satisfy both the campus-wide General Education Requirements and the L\&S Breadth requirement.
** Students are advised to select a course that satisfies the Cultural Diversity requirement as well as a Humanities or Social Science breadth/GER requirement.

## VI. The Major

The College requires that students attain at least a 2.0 GPA in all credits in the major attempted at UWM. In addition, students must attain a 2.0 GPA on all major credits attempted, including any transfer work. Individual departments or programs may require higher GPAs for graduation. Some departmental majors require courses from other departments. Contact your major department for information on whether those credits will count as part of the major GPA. The College requires that students must complete in residence at UWM at least 15 credits in upper-division (numbered 300 or above) courses in their major.

## Research Requirement

Within their majors, students must complete a research experience approved by the L\&S faculty. A list of courses satisfying the research requirement in each major can be found here (https://catalog.uwm.edu/ letters-science/approved-courses-research-requirement/).

## VII. The Minor

The College requires that students attain at least a 2.0 GPA in all credits in the minor attempted at UWM. In addition, students must attain a 2.0 GPA on all minor credits attempted, including any transfer work. Individual departments or programs may require higher GPAs for graduation.

## Committee Interdisciplinary Major Requirements

The Committee Interdisciplinary Major requires a minimum of 30 credits, of which at least 15 must be in upper-division (numbered 300 or above) Letters and Science courses taken in residence at UWM. The CIM must include coursework in at least two L\&S academic units. All committee interdisciplinary majors must be approved by the major academic units involved. Most academic units outside the College may also be selected as part of the major. However, at least 18 credits in the major must be earned in Letters and Science courses. Non-L\&S courses selected as part of a CIM will not count toward the 90 L\&S credits required for the degree, but they will satisfy part of the 30 elective credits available to L\&S students.

The College of Letters and Science requires that students attain at least a 2.0 GPA in all credits in the major attempted at UWM. In addition, students must attain a 2.0 GPA on all major credits attempted, including any transfer work.

To propose a CIM, students should first identify a topic that cannot be studied in depth in any existing major, and a faculty member ("faculty advisor") to advise them on this interdisciplinary topic. The student should write a proposed description of the major with its goals. Then the student will work with the faculty advisor to:

- Identify a title for the major
- Finalize the description of the major
- Select the courses that will be required for the major, and
- Identify two additional faculty from two or more academic units willing to serve on the student's major committee

The student and faculty member will complete the online declaration of Committee Interdisciplinary Major form at any time between the 15th and 75th credit. The form must be signed by the student and the three committee members before going to the L\&S Associate Dean of the division most relevant to the topic for approval.

Should the proposal be denied, the student and the committee chair will receive a written explanation of the denial. The proposal may be reworked and resubmitted. Students may appeal a denial to the L\&S Academic Policies and Curriculum Committee.

## Eligibility to serve on student's major committee

The committee must be composed of three individuals from two or more academic units who are willing to function as the major oversight committee. At least two committee members must be from L\&S. A member of the L\&S faculty serves as committee chair and major advisor ("faculty advisor"). One committee member may be instructional academic staff, but at least two must be tenure-track faculty members. All committees must be approved by the L\&S Associate Dean in the division most relevant to the major topic.

## College of Letters and Science Dean's Honor List

GPA of 3.750 or above, earned on a full-time student's GPA on 12 or more graded credits in a given semester.

## Honors College Degree and Honors College Degree with Distinction

Granted to graduating seniors who complete Honors College requirements, as listed in the Honors College (https://catalog.uwm.edu/ honors-college/) section of this site.

## Commencement Honors

Students with a cumulative GPA of 3.500 or above, based on a minimum of 40 graded UWM credits earned prior to the final semester, will receive all-university commencement honors and be awarded the traditional gold cord at the December or May Honors Convocation. Please note that for honors calculation, the GPA is not rounded and is truncated at the third decimal (e.g., 3.499).

## Final Honors

Earned on a minimum of 60 graded UWM credits: Cum Laude -3.500 or above; Magna Cum Laude - 3.650 or above; Summa Cum Laude -3.800 or above.
