HISTORY, MA/LIBRARY AND INFORMATION SCIENCE, MLIS

In collaboration with several other academic units at UW-Milwaukee, SOIS offers students the opportunity to obtain two Master's degrees concurrently—one in Library and Information Science (MLIS) and one in a subject area.

Degree Requirements

- The number of degree credits needed for each of the coordinated programs is usually 12 fewer than the sum of the two programs if they were not taken simultaneously. All degree requirements of each component must be satisfied.
- The MLIS portion of the coordinated degrees can be completed online.
- Prerequisite to the award of either degree in this program is the simultaneous award of its counterpart degree.

MLIS Component
The Master of Library and Information Science (MLIS) component of each of the coordinated programs includes 30 credits of SOIS courses. These include the MLIS core courses (12 credits). The remaining 18 MLIS credits are selected from the School’s offerings in accordance with the student's goals in the coordinated degree program.

MLIS/MA History
A Master of Arts in History/Master of Library and Information Science program to prepare students for positions as archivists, 54 credits.

Academic Review and Comprehensive Examination Reading List
Within the first semester after completing 9 credits (including two of the following courses: HIST 712, HIST 713, a colloquium and/or seminar), Option B students are subject to an academic review. The Review is a one- to two-hour meeting involving the student, the student's Major Professor and two other members of the History Graduate Faculty who will serve as examiners for the student's comprehensive exam. With the assistance of his or her Major Professor, the student must prepare a
reading list for the comprehensive exam in advance of the Review. The Review involves an evaluation of the student’s academic progress in master’s coursework, two unrevised course papers, and the reading list for the comprehensive exam.

**Program Requirements**

**Comprehensive Examination**
The student must pass a written and oral comprehensive examination.

**Thesis (Option A)**
Not required, but with the approval of the Director of Graduate Studies in History, the student may substitute a thesis for the comprehensive examination requirement. MA/MLIS students who write a thesis are subject to the Academic Review and Thesis Prospectus requirements outlined above for Option A.

**Time Limit**
The student must complete all requirements for the coordinated degree within seven years of initial enrollment.
