ADULT/UNIVERSITY LEVEL TEACHING ENGLISH TO SPEAKERS OF OTHER LANGUAGES, GRADUATE CERTIFICATE

UWM’s TESOL certificate prepares students for a career teaching English to non-English speaking adults. TESOL is an internationally-recognized acronym that denotes the holder of the certificate has received specialized training in the methodologies of teaching English, second language acquisition, bilingualism, and multicultural awareness.

The use of English as a common language of communication has risen dramatically in the last few decades, and the demand for TESOL trained instructors is high in certain parts of the world. Asia, Central America, and South America are three particular hot spots where people have a strong desire learn English or improve their English language skills.

Students who love to travel often make a career out of traveling the globe, picking up jobs in various nations. Others stay closer to home and find similar positions in the U.S. teaching English to immigrants, visitors, foreign students, or others who have not learned English as their first language. TESOL is a dynamic profession that combines innovation and creativity with interactions in culturally-diverse communities.

The Adult/University-Level TESOL (Teaching English to Speakers of Other Languages) Graduate Certificate Program is designed to meet the needs of graduate non-degree students or graduate students concurrently enrolled in a UWM master’s or PhD program. Requirements for this program are very similar to those for the undergraduate-level “Adult/University-Level TESOL Certificate Program” but is more rigorous and can be applied (concurrently or subsequently) to the Master of Arts program in Linguistics.

   • Degree programs must approve the courses from certificates that can double count toward the degree.
   • All credits taken in completion of certificate requirements may count towards a UWM graduate degree as long as they do not contribute more than 90% of the total credits needed to obtain the degree. (Note: Students in PhD programs must still complete the minimum residency requirements)
   • Certificate courses used toward meeting degree requirements must be completed within the time limit for transfer credit.

2. Courses completed for a degree may be counted toward a subsequent certificate, subject to all certificate policy requirements.

3. A course may count toward no more than one certificate and one degree.

4. Students may not earn a certificate subsequent to a concentration in the same area.

Time Limit
Certificate program time limits shall be established as follows:

• 18 or fewer credits/Three years from initial enrollment in the certificate sequence.
• 19 or more credits/Four years from initial enrollment in the certificate sequence.
