NURSING (COLLEGE OF)

The College of Nursing offers a Bachelor of Science degree (BS) in nursing, a Master of Nursing (MN) degree, and a Doctor of Nursing Practice (DNP) degree. These nursing programs are fully approved through the State of Wisconsin Board of Nursing and accredited by the Commission on Collegiate Nursing Education. The College also offers a Doctor of Philosophy degree (PhD) in nursing.

Vision
As an innovative, academic community, the University of Wisconsin-Milwaukee College of Nursing faculty, staff, students and alumni are renowned practitioners, scientists and leaders in creating bold and transformative solutions for advancing local, national and global health.

Mission
The University of Wisconsin-Milwaukee College of Nursing is a premier, urban, academic, collegial community that acts collaboratively with partners to:

• Prepare a diverse population of students to become science based, compassionate leaders through innovative, quality, educational programs for all settings and levels of practice.
• Conduct research and scholarship that advance science in nursing and health.
• Address health through evidence based practice and interprofessional collaboration; and
• Develop leaders who transform health care delivery and health policy.

Core Values
As a diverse Community of Scholars that values academic discourse and debate in a climate of civility, we live our core values and create opportunities to understand the perspectives of all others. We, the University of Wisconsin-Milwaukee College of Nursing community, demonstrate these core values in our learning, teaching, research, practice and service.

• Collaboration
• Creativity
• Integrity
• Human Dignity
• Diversity
• Accountability
• Social Justice
• Excellence

• Trauma Informed Care, Graduate Certificate (College of Nursing) (http://catalog.uwm.edu/nursing/trauma-informed-care-graduate-certificate)

Requirements for Employment, Licensing, or Professional Organizations
Students should be aware that some professions, occupations, and employers are subject to licensing and/or bonding requirements. When a course of study includes clinical or field training, practice teaching, internships, or the like, students will be subject to a check of criminal conviction records, prior to acceptance of a student by the placement site. Drug testing is also a requirement prior to starting clinical, as is verification of health and immunization status. Students are responsible for obtaining the information necessary for them to become knowledgeable about these requirements and plan their studies accordingly. Please contact the appropriate department or program office for further information.
