SOCIAL WORK, BS

The bachelor’s degree in social work is accredited by the Council on Social Work Education. Its primary objective is to prepare students for beginning generalist social work practice.

The program prepares students for potential employment in both public (federal, state, and county) and private social service agencies. Students are trained to work and affect change among individuals, families, groups, organizations and communities. The program helps prepare students to engage in critical thinking and actively apply research to practice, policy, advocacy, education, and leadership. A sample of career possibilities includes caseworker, psychiatric social worker, youth counselor, and alcohol/drug counselor.

General Curriculum Requirements: Social Work and Criminal Justice

For courses that satisfy the distribution requirements in humanities, natural science, and social science, see the GER listing in the current Timetable (http://www4.uwm.edu/schedule). The UWM General Education Requirements (http://catalog.uwm.edu/policies/undergraduate-policies/#generaleducationtext) apply to all students who were not enrolled in an accredited institution prior to 1986.

Major Requirements

The undergraduate social work major includes a pre-professional component. Social work intended majors spend their first two years building a liberal arts foundation and fulfilling proficiency requirements. Freshmen and sophomores may begin to take courses offered in the Helen Bader School of Social Welfare.

Students must complete at least 120 credits to obtain the degree. The major in Social Work requires a minimum of 42 credits in Social Work or Helen Bader School of Social Welfare courses (students can take courses in criminal justice and have them count toward the major as elective credit), and 27 credits in social sciences courses, for a minimum of 69 credits in the major. The Department requires that students attain at least a 2.5 cumulative GPA, including transfer credits, in order to declare the major. In addition, students must attain a 2.0 cumulative GPA in order to graduate from UWM.

United States History and Institutions
Declaring Your Major

In addition to the normal University admission requirements, students apply on a separate application for admission to the Social Work major. Students who have not yet been admitted to the Social Work major are still able to take a sequence of Social Work courses. Students must formally be admitted into the Social Work major prior to beginning field placement. The requirements to apply to the Social Work major are:

- Completion of 48+ credits
- Completion of Social Work 100, 250, and 206
- Cumulative GPA of 2.5 or higher, including all transfer work.

All of these requirements must be satisfied at the time a student applies. Applications are found online and an advisor should be consulted for more information.

Undergraduate Academic Advising

The Office of Student Services in the Helen Bader School of Social Welfare, located in Enderis Hall Room 1110, offers undergraduate student academic advising from professional advisors who are familiar with the Social Work and Criminal Justice curriculum, College requirements, and university policies. Advisors can also provide information on scholarship opportunities, tutoring, and student organizations that align with a student’s interests.

These advisors provide services such as new freshman orientation, course selection, assistance with registration, and review of transfer credit. Students are assigned to a permanent professional advisor upon admittance into the Helen Bader School of Social Welfare and are encouraged to meet with their academic advisor at least once each semester. Please call (414) 229-4852 to schedule an appointment or for more information.

Transfer Students

The Helen Bader School of Social Welfare welcomes students from other academic areas on the UWM campus and students transferring to UWM from other institutions. Students planning to transfer into either major from another institution should meet with an academic advisor as soon as they are admitted and the transfer credit evaluation process has been completed. During this meeting, the student and advisor will review transfer course equivalencies, discuss program requirements, and create an academic plan for coming semesters. Students may meet with their advisor in person or by phone. Please call (414) 229-4852 to schedule an appointment or for more information.

Honors in the Major

Honors in the Major are granted to students who have earned a GPA of 3.500 or above in major courses, including social science credits completed at UWM.

Honors in the School of Social Welfare

Dean’s Honor List

GPA of 3.750 or above, earned on a full-time student’s GPA on 12 or more graded credits in a given semester.

Honors Degree and Honors Degree with Thesis

Granted to graduating seniors who complete Honors College requirements, as listed in the Honors College (http://catalog.uwm.edu/opportunities-resources/honors-college) section of this site.
Commencement Honors
Students with a cumulative GPA of 3.500 or above, based on a minimum of 40 graded UWM credits earned prior to the final semester, will receive all-university commencement honors and be awarded the traditional gold cord at the December or May Honors Convocation. In schools and colleges in which fewer than 15% of the traditional students have a 3.500 GPA, all-university honors will be awarded to approximately the top 15% of graduating students. A criterion GPA (not lower than 3.200) for this 15% will be calculated based on statistics from the previous comparable semester. Please note that for honors calculation, the GPA is not rounded and is truncated at the third decimal (e.g., 3.499).

Final Honors
Earned on a minimum of 60 graded UWM credits: Cum Laude - 3.500 or above; Magna Cum Laude - 3.650 or above; Summa Cum Laude - 3.800 or above.
