

SOCIAL WORK, MSW/ WOMEN'S AND GENDER STUDIES, MA

The College of Letters and Science and the Helen Bader School of Social Welfare collaboratively offer a program designed to provide students with theoretical and practical exposure to evolving professional practice and the field of feminist research and scholarship. Prerequisite to the award of either degree in this program is the simultaneous award of its counterpart degree.

Admission Requirements

Application Deadlines

Application deadlines vary by program, please review the application deadline chart (<http://uwm.edu/graduateschool/program-deadlines/>) for specific programs. Other important dates and deadlines can be found by using the One Stop calendars (<https://uwm.edu/onestop/dates-and-deadlines/>).

Admission

Students are admitted to both graduate programs separately, and admission requirements (<http://uwm.edu/graduateschool/admission/>) are consistent with those specified by the UWM Graduate School, the MA in Women's and Gender Studies (<http://catalog.uwm.edu/letters-science/womens-gender-studies/womens-gender-studies-ma/>) program in the College of Letter and Science, and the MSW in Social Work (<http://uwm.edu/graduateschool/social-work/>) of the Helen Bader School of Social Welfare.

Credit and Courses

The MA in Women's and Gender Studies (WGS) normally has a minimum requirement of 30 credits from Women's and Gender Studies courses. For the coordinated WGS MA/MSW degree program, however, students can substitute 6 credits in Social Work courses for 6 credits of WGS courses. Similarly, the Social Work master's program will accept 6 credits of WGS course work to satisfy the 6 required elective credits for the MSW degree. Because the MSW degree has a distinction in the number of credits required depending on bachelor's degree type, the total number of credits required to complete the Coordinated WGS/MSW program will range from 52 credits (24 from WGS and 28 from MSW when holding a bachelor's in social work) to 74 credits (24 from WGS and 50 from MSW when a bachelor's degree is from another discipline).
