

AID AND SCHOLARSHIPS

Most students (and their families) need to use a combination of tools to help finance their college education. Information to help you with all your financing questions can be found on the UWM Student Financial Services (<http://uwm.edu/finances/>) website. This includes information on:

- Financial Aid Process (<http://uwm.edu/onestop/finances/receiving-financial-aid/>)
- Scholarships (<http://uwm.edu/onestop/finances/types-of-financial-aid/scholarships/>), Grants (<http://uwm.edu/onestop/finances/types-of-financial-aid/grants-and-waivers/>), and Loans (<http://uwm.edu/onestop/finances/loans/>)
- Military Education Benefits (<http://uwm.edu/onestop/finances/veterans-services/>)
- Work-Study and Student Employment (<http://uwm.edu/onestop/finances/work-study-student-employment/>)

Other resources include tools to develop a budget, determine the most recent costs, and sign up for the installment plan. You will also find the contact information for all departments in Student Financial Services which includes the Office of Financial Aid Administration, Office of Student Accounts, Office of Student Scholarships, and Student Financial Service Center. Please feel free to contact our staff for help with any questions you may have. You can also use our Virtual agent, Ask Pounce (<https://uwm.edu/onestop/finances/ask-pounce/>), for answers to many of the most common questions we receive.
